## Program:

The course starts at 09:00 sharp with some theory, an analysis of delegate's photographs and then a discussion on the following:

- Equipment – cameras, lenses, flash, tripods, memory cards
- Theory – speed, depth of field, ISO
- Composition, background, focal points
- Lights and lighting – artificial and available light
- Macro photography and equipment
- Photoshop and Lightroom
- Archiving images
- Tricks of the trade

We will break at around 13:00 for lunch (for your own account) and the practical session will start at around 14:00 (these times are suggested and not exact).

We will finish up with a discussion on the results of practical session.

All delegates must E-mail five good and five bad or problematic photographs prior to 01 September 2016 for discussion. This is an important aspect of the course to highlight technical and artistic aspects of reptile photography. Photographers will not be identified during this session.

## Important:

- 1). No spectators are allowed during the Reptile Photographic course.
- 2). Cell phones: The use of cell phones for text messages and calls is not permitted during the course and may only be left on for emergency calls.

## Please note:

- 1). Please note that Heia Safari Ranch (soon to be renamed Cradle Moon Lakeside Lodge) has been incorporated into a conservancy and now charges a R30.00 conservation fee for anyone who enters their premises. Please go to reception on your way in and purchase your exit slip (the main gate does not let you out without one).

**Dress code:** Delegates to please wear long trousers and closed shoes. On hot days please bring along a hat.

**Equipment needed:** Each delegate to bring their own camera, as well as a pen and note pad.

**Costs:**

The cost of the course, is R500.00 per delegate. The full amount will have to be paid prior to the course to secure your attendance.
